DEAR INDUSTRY PARTNER,

On behalf of the Society of Hispanic Professional Engineers (SHPE) student chapter at Washington University in St. Louis, we invite you to join us in advancing our mission to inspire and empower Hispanic STEM development.

At our core, we are committed to fostering the progress of Hispanics in engineering and science. Through initiatives focused on academic excellence, professional development, service, and community, we strive to create a nurturing environment of growth and success.

The Society of Hispanic Professional Engineers offers numerous avenues for corporate engagement and support throughout the 2025-2026 academic year. Our calendar is full of impactful events including conferences, workshops, study breaks, community service projects, outreach initiatives, and enjoyable social activities. While some of these events have become cherished traditions over the years, others have been carefully curated to align with our chapter's evolving needs and aspirations. As we gear up for the year ahead, our objective is to gain recognition from our regional and national peers for our efforts to increase community membership. **Your sponsorship will empower our club to enhance and expand our community programs without compromising our current budget or continuously needing to fundraise.**

We express our sincere gratitude for considering to support our club and its noble missions. We eagerly anticipate the prospect of forging a mutually beneficial partnership that enriches our endeavors and leaves a lasting impact on the Hispanic STEM community.

With anticipation and appreciation,

Melita Ocampo

President of SHPE @ WashU

ABOUT SHPE WASHU

SHPE is a national organization in the United States that empowers Hispanic professionals and students in STEM. SHPE is an organization that hosts conferences, workshops, and events to connect members with job opportunities, mentors, and peers in their respective fields. As an advocate for diversity and inclusion in STEM fields, SHPE works to address issues through initiatives that foster a strong community and promote the advancement of our members.

MISSION, VISION & VALUES

MISSION

SHPE changes lives by empowering the Hispanic community to realize its fullest potential and to impact the world through STEM awareness, access, support, and development

VISION

SHPE's vision is a world where Hispanics are highly valued and influential as leading innovators, scientists, mathematicians, and engineers.

SHPE WASHU THROUGH EVENTS

GENERAL BODY MEETINGS

- Held monthly and serve as the central hub for engaging our members, sharing organizational updates, while fostering professional development and community

PROFESSIONAL DEVELOPMENT & NETWORKING

- Networking events with professionals in STL who work at Boeing, Google, Microsoft, etc.
- Participate in LinkedIn, Resume, and interview prep workshops in preparation for recruiting, and to maximize opportunities
- Collaboration with the Career Center and student organizations like NSBE and ColorStack to provide diverse perspectives, mentorship, and resources.

BUILDING AN ENGINEERING COMMUNITY

- Social events: Karaoke, Salsa dance workshops, Trivia & Lotería Nights
- Fundraisers with conchas, churros, and more
- Celebrate culture, build friendships, and strengthen the SHPE familia

SIGNATURE EVENTS

NOCHE DE CIENCIAS

- Events to engage and inspire Hispanic youth to pursue STEM degrees and careers which are delivered by SHPE STL professional and WashU chapter
- In our chapter, we went on a volunteering excursion to St. Cecilia School and Academy to teach and inspire young minds to explore careers in STEM

SHPE NATIONAL CONVENTION

- The largest gathering of Hispanic professionals, providing students with opportunities to network with over 8000 peers and 200+ corporations. Includes workshops, seminars, career fairs, interviews, and 24-hour engineering challenges.

HALF & HALF EVENT

- First half: Local SHPE members and your company can lead an insightful LinkedIn resume workshop.
- Second half: WUFuego, the Latin dance team at WashU, gives a fun workshop on basic salsa techniques.

BECOME A PARTNER TODAY!
